

QUEEN CHARLOTTE COLLEGE

NEWSLETTER TO PARENTS, CAREGIVERS AND FRIENDS OF THE SCHOOL

9 FEBRUARY 2018

PRINCIPAL'S COMMENT

Welcome back one and all.

HEALTH AND SAFETY

Due to today's climate and regulations it is essential we know who is on our grounds at any given time. For this reason we require any parent, whanau or visitors to come straight to the office when coming into school and if staying for any period of time you will be required to sign in and wear an identifying lanyard. It is also important that the school is contacted if a student is not attending school or has to leave during the day.

Thank you for your support.

NCEA

Our NCEA results from last year were once again solid. We had some wonderful achievements but there is room for improvement in some areas. This will be a focus for the school this year.

Level 2 results were a 91% pass rate (Level 2 is often used as a bench mark). In this, we maintained our history of achieving above the National at this level and are justifiably proud of our efforts.

Level 1 results of 71% was affected by a number of students leaving QCC before completing the year. This percentage was therefore lower than expected and is where a strong focus will be taken this year on tracking students at risk.

Level 3 results of 53% is lower than the National results but we are pleased, that we are able to retain a number of students at school who would not necessarily be ready to enter the workforce. We are able to support them in gaining valuable skills and experience that is not always measured in credits for NCEA.

We had a number of students endorsed with Merit and Excellence and we will be acknowledging their success at a special assembly on Tuesday the 13th at 2.30pm.

NEW STAFF

This year we welcome several new staff members to QCC. Renee Eynon , Acting HOD Humanities; Sue Meredith, HOD Technology; Allan Porter, Science Teacher; Fabienne de Gomree , Learning Support Aide and Warren Love, .7 teacher.

We will be profiling these staff in the next newsletter.

CAREGIVER CONTACT DETAILS

Please ensure you have updated the school if there have been changes to your contact details. If you have an email address, please make the school aware as information is often imparted through email.

NEW CALLBACK PROCEDURE AT THE COLLEGE

So that parents understand this procedure we have added to the newsletter as below.

Issuing a School Callback

It is very important that the staff member who issues the callback completes the callback card correctly, hands the bottom portion of the card to the student, adds a pastoral entry on Edge and makes contact with caregivers. Staff are also encouraged to visit the student during the callback for a restorative chat.

If a student is reminded of a callback and does not attend that callback, he/she may be required to do the callback after school the following day. Parents will be contacted to ensure that the student can attend the after school callback.

Late to Class

If a student is late to school they must report to the SLC to be issued a pass. After three 'lates', a student will be issued with a lunchtime callback.

During Periods 2 and 3 and a student is late, the subject teacher must change the ? to a L. After three 'lates' to that subject, the teacher must issue a school callback.

Non Regulation Uniform

If a student is seen at school wearing incorrect uniform and the student does not have a school uniform pass issued by the SLC, then the teacher is to issue an instant callback and confiscate the non-regulation uniform item.

If the student refuses to remove the item and hand it over to the teacher, then the student is referred directly to the Deans' area.

The item can be picked up at the end of the school day.

After School Callback

Term 1 After 5 lunch callbacks

Term 2 After a total of 8 lunch callbacks (year total)

Term 3 After a total of 11 lunch callbacks (year total)

Term 4 After a total of 14 lunchtime callbacks, students and parent/guardians are informed by the Deputy Principal that all callbacks issued after this point will be completed after school from 3.20 pm to 4.20 pm.

- After 5 callbacks for disruptive behaviour per term the student goes onto after school callback.
- Students and parents must always be given 24 hour notice so that parents can be informed and transport arrangements made.
- To revert back to lunchtime callbacks a student must go for three weeks without receiving a callback. He/she can then apply in writing to the DP for reverting back to lunchtime callbacks.
- If the student reverts back to the previous behaviour, after-school callbacks will start again after 3 lunch-time callbacks.
- If a student does not modify his/her behaviour and continues to be issued with callbacks, he/she will be referred to the Deputy Principal.

If a student fails to do an after school detention, they will be on referral the next day, which means they could be put into isolation.

After school callbacks will be run by Deans and SLT from 3.20 pm to 4.00. Parents must be given 24 hours' notice.

After school callbacks missed may lead to a Saturday detention run by SLT 9 am – 11 am.

Saturday callbacks not attended may result in a **stand down**.

2018 TABLOID SWIMMING SPORTS

Once again Picton put on a lovely day with only a little cloud to make it a bit cold. As the sun set in, it did illustrate that most students were heeding the repeated warnings to spend time in the shade, cover up and apply sunscreen frequently, however a few did not and they looked like recruits for Aramoana House!

It was a great day and our Form teachers and student councillors had the opportunity to get to know each other and embed the House culture that is a key component of the supportive environment in our College.

Aramoana took an early lead with the points but Rangatira and Tamahine soon caught up and overtook as they gained momentum using chants and mass participation.

Tamahine was the winning House with 602 points towards winning the Tamahine Bell (awarded at Prizegiving at the end of the year). Rangatira was a near second with 592 and Aramoana finished with 550.

We are all looking forward to the Swimming sports on Wednesday and Thursday next week. We have included a programme of events for those days and encourage whanau to come in to join in the action.

ENGLISH DEPARTMENT

The **Ugly Shakespeare Company** will be visiting the school on Thursday 15th March. They will be performing Romeo and Juliet for the whole school before lunch and then there will be a workshop for Senior English students after lunch.

The **Regional Nga Manu Korero Competition** will be held on May 25th this year and will be hosted by Waimea College. Students can get further information from your English or Maori teacher.

The **Annual Sheilah Winn Festival** celebrates Shakespeare and holds a number of competitions for creating posters, CD covers, or writing essays. Students can get further information from their English teacher.

Mrs Rogers' Year 12 English class is looking at articles, editorials, essays, etc., which express differing opinions from a range of individuals for an NCEA Standard they are doing later in the year. They would appreciate any copies of newspapers or magazines like The Listener, North and South, Consumer Magazine or Time Magazine. If you have any that you no longer need, it would be appreciated if you could drop them into QCC's main office and label them LR 12 EMN. Thanks you.

PERTUSSIS (WHOOPING COUGH), MUMPS and MEASLES PREVENTION

Pertussis (Whooping Cough)

- Currently this Region is experiencing an outbreak of pertussis, which is expected to continue for some months.

Mumps

- We did not see any confirmed cases of mumps in the Region for the three years 2014 to 2016
- However, we have seen confirmed cases in cases in our Region 2017, and further cases in 2018 including a local outbreak.

Measles

- Fortunately, this Region has not been involved in an outbreak since 2016.
- However, we are concerned that the proportion of our population immunised is below 95%, therefore we are at risk of further outbreaks.

Immunisation

- All the above contagious diseases can cause severe illness, and on occasions can be fatal.
- We have seen a very good proportion of children immunised for many vaccines
- The start of the school year is a good time to check your children's immunisations are up to date, and where appropriate your own too.
- If you are unsure whether your children are covered please contact your family doctor or practice nurse.
- A small proportion of parents may have made a conscious decision to decline immunisation for their children, and may wish to re-consider the evidence on the issue.
- Please note that pregnant women are eligible for free pertussis immunisation which will protect their new baby in the first weeks of its life before she/he is able to have their first immunisation.
- Please also note adults born in 1969 or later can get the measles, mumps and rubella (MMR) for free.

Further Information – local and national
